

INFORMATION DISCLOSURE STATEMENT

Applicant	:	Yang et al.
App. No.	:	10/789,938
Filed	:	February 27, 2004
For	:	METHOD FOR THE GENERATION OF ANTIGEN-SPECIFIC LYMPHOCYTES
Examiner	:	Unknown
Group Art Unit	:	1653

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Enclosed is form PTO-1449 listing 23 references that are of record in U.S. patent application No. 10/317,078, filed 12/10/02, which is the parent of this Continuation in Part application, and is relied upon for an earlier filing date under 35 U.S.C. § 120. Copies of the references are not submitted pursuant to 37 C.F.R. § 1.98(d).

This Information Disclosure Statement is being filed before the receipt of a first Office Action on the merits, and presumably no fee is required in accordance with 37 C.F.R. § 1.97(b)(3). If a first Office Action on the merits was mailed before the mailing date of this Statement, the Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.17(p) to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP

Dated: September 15, 2004

By:
